Important Tour Information:

Book Now rates valid until Jun 09, 2027, valid on air inclusive packages only.

The overall activity level of this tour is a level 3. This means you're an on-the-go traveler. You don't want to miss a thing, so walking and standing for longer periods of time (2-3 hours) isn't a big deal. A moderately paced two-and-a-half-hour walking tour, covering several miles, hills, and uneven surfaces, is no problem for you. Walking four miles over the course of a day is very doable, as is climbing into and out of various modes of transportation (tuk-tuk, cable car, zodiac, etc.). You can climb three flights of stairs easily and handle altitudes between 6,000 and 9,000 feet. Expect some longer days with early mornings or late nights balanced with free time to recharge or set out on your own adventure. This level is not appropriate for travelers who use wheelchairs, walkers, and other mobility assistance devices.

Travel with an average of 37 people (maximum of 44).

Sightseeing often takes place outdoors in winter conditions, which may include cold temperatures, rain, snow, or icy walks.

While visiting historic areas of Prague, Cesky Krumlov, Vienna, Bratislava, and Budapest you will walk along cobblestone and uneven streets, steps, and narrow passageways.

Some of the most unique sightseeing sites can mean accessing locations that restrict motor coaches. Your coach will be parked in a designated area requiring a walk on cobblestones while exploring the historic areas.

If you require any special assistance while on tour, please make us aware at the time of reservation so the necessary request form can be sent to your attention.

You will be traveling during the heart of a European winter. Expect cold temperatures, likely between 23°F to 41°F, with potential for rain, snow, and icy conditions. Proper footwear and layered clothing are essential for your comfort and safety. Market visits are primarily outdoor experiences and subject to winter weather conditions.

In Prague, you can expect up to four-and-a-half hours of walking, with stops, during the city tour. You should be prepared for climbing up and down occasional steps and walking on uneven surfaces. The Prague Castle visit lasts approximately three hours and includes standing for longer periods of time. If you have chosen the classic Budapest city tour option as your selected Choice on Tour, it will include up to three-and-a-half hours of walking.

Most of the cities on this program are very busy with visitors during Advent.

This tour features multiple long transfers exceeding two hours, in particular the transfer to and from Dresden, Germany.

The transfer from Prague to Vienna, Austria, with a stop in Ceský Krumlov for independent exploration, can take up to 10 hours.

The transfer from Vienna to Budapest, with stops in Bratislava and for an included dinner in the Hungarian countryside, can take up to 10 hours.

Christmas markets are seasonal and typically operate from late November through December. Specific opening dates, operating hours, and market locations vary by city and are subject to change.

Due to annual fluctuations in the opening dates of some Christmas markets and tour scheduling, if one is unavailable on a specific departure, other regional Christmas markets may be substituted.

Hotel check-in on your day of arrival is 3:00 p.m. Rooms may not be available prior to that time.

Hotels may be located outside historic centers. Access to sightseeing areas may require public transportation or walking.

Single accommodations are limited and are available on a first-come, first-served basis. Single rate subject to change based on availability.

Travelers with dietary restrictions or food allergies should be aware that included meals may feature pre-set menus showcasing local cuisine. Dietary needs may be shared with restaurant staff when possible; however, accommodations cannot be guaranteed. Travelers are encouraged to discuss their needs with their Tour Manager while on tour. Due to local ingredients and food preparation practices, options may be limited and cross-contamination may occur.

Not all major sites can be reached by coach. Public transportation might be used during the Budapest city tour.

To complete your tour, we include round-trip airport-to-hotel transfers when purchasing our airfare with your tour. If you have arranged for your own air, we are pleased to provide you the option of *purchasing* these transfers. Please note that all transfers will leave at pre-scheduled times.

For air-inclusive reservations, the name provided at time of booking must match your government-issued ID that will be used during travel. Name changes are subject to penalties.

Prepaid tipping is not available on our tours therefore payment of customary end-of-trip gratuities for your Tour Manager, driver, hotel housekeepers, and cruise ship waitstaff should be handled individually when applicable during the course of your tour.

Economy air rate and schedule are applicable for groups of 10 or more traveling on the same flights and dates.
